

Notice of Utility Tariff Filings

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Chugach Electric Association, Inc. (Chugach) filed TA513-8 and TA391-121, seeking to update its rules in Rule 5 and Rule 6 of its Certificate of Public Convenience and Necessity (CPCN) Nos. 8 and 121 tariffs, respectively, related to conditions of service. Chugach seeks to align the operating tariffs between its two certificates so that each tariff's rule is identical.

With TA513-8, Chugach proposes to remove the option that allows customers to read their own meters when service is being established or transferred and update member services contact information. In addition, Chugach proposes revisions to its rules on protection of utility property, customer complaints, and deposits.

With TA391-121, Chugach proposes to replace the current tariff language of Rule 6 in CPCN No. 121 with tariff language of Rule 5 from CPCN No. 8. Chugach also proposes to delete the provisions for service contracts and terms of service in the CPCN No. 121 tariff.

This notice does not contain all requested revisions and the Commission may approve a rate or classification that varies from those proposed.
